

9 November 2019

To whom it may concern,

Title of study: CHANGING DELTA HEPATITIS PROFILE IN A MEDITERRANEAN SETTING

This letter is to confirm that I have read the ethics application corresponding to this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink, appearing to read 'Á Br', with a stylized flourish extending to the right.

Álvaro Briz-Redón, MSc, Statistics Office, City Council of València, Plaça de l'Ajuntament, 1, 46002 València, Valencia. E-mail: alvaro.briz@uv.es.
