26Aug2019

Prof Thomas J Borody, Director  
Centre for Digestive Diseases  
Level 1, 229 Great North Road  
Five Dock NSW 2046

Dear Professor Borody,

**Study No.CDD19/C02: Protocol No.2, Amendment 1, entitled:**

“Effects of 2-day enema antibiotic therapy in parasite eradication and resolution of symptoms” –  
A medical record review

**I have reviewed the following documents for the abovementioned study:**

- CDD19/C02 Study protocol, Version 2, amendment 1, 20<sup>th</sup> August 2019
- Amendment submission documentation, 20<sup>th</sup> August 2019

After further consideration and review of these amendments, Protocol, Version 2 dated 20th August, 2019 for Centre for Digestive Diseases is approved to be conducted at the following centre:

Centre for Digestive Diseases  
Level 1, 229 Great North Road, Five Dock, NSW, 2046  
Investigator: Dr Thomas J Borody
