George L. Hanbury II, Ph.D.
President/Chief Executive Officer

April 16, 2018

Dear Dr. Lymperopoulos,

Congratulations! Your proposal entitled *Target validation of adrenal βarrestin1 for tobacco-related heart disease therapy* has been awarded a Nova Southeastern University 2018-2019 President's Faculty Research and Development Grant in the amount of $15,000. With 44 submissions from 48 faculty representing 10 schools, this proved to be another competitive year.

You and your project collaborators are invited to attend this year's award ceremony to be held on Tuesday, May 15th at 3:00pm in the Second Floor Lounge of the Don Taft University Center. **Please RSVP to rsvppfrdg@nova.edu by Tuesday, May 1, 2018**. At the ceremony, we will be honoring this year's award-ees as well as recognizing the faculty who participated in the competition. The event promises to be a wonderful celebration of research and scholarship excellence at Nova Southeastern University.

The period of performance for your project is July 1, 2018 through June 30, 2019. Funds for your project will be available starting July 1, 2018. Request for project extensions beyond the original period of performance must be submitted to Dr. Gary Margules, Vice President of Research and Technology Transfer, by no later than April 30, 2019.

The Office of Sponsored Programs will email you with more information and instructions to process your award. Your quantitative score and reviewers' comments will be provided soon. We hope you find these evaluations and comments informative. For any questions about your award, please email pfrdg@nova.edu.

Congratulations again, and I hope to see a future submission for next year's President's Faculty Research and Development Grant!

Sincerely,

George L. Hanbury II, Ph.D.
President and CEO
