

## Certificate of Biostatistics

17 October 2019

To whom it may concern

Title of Study: PINK1 induced phosphorylation of DRP1 Ser637 reduces mitochondrial fission and protects against intestinal I/R injury

Chief investigator: Xiaofeng Tian, MD, PhD, Department of General Surgery, Second Affiliated Hospital of Dalian Medical University, Liaoning, China

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Ce Zhang, M.S., Department of Drug clinical trial, The Second Hospital of Dalian Medical University, China
