

This document certifies that the manuscript

INCIDENTAL ANAL 18 FDG UPTAKE: SHOULD WE INVESTIGATE THE PATIENT?

prepared by the authors

Anne-Sophie MOUSSADDAQ/ Charlène BROCHARD MD/ Xavier PALARD-NOVELLO/

Etienne GARIN/ Timothée WALLENHORST/ Eric LE BALCH /...

was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at AJE.

This certificate was issued on **October 19, 2019** and may be verified on the [AJE website](#) using the verification code **3D8A-0B8A-EDF3-AD3C-FC2A**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final AJE edited version, please visit our verification page at [aje.com/certificate](#). If you have any questions or concerns about this edited document, please contact AJE at [support@aje.com](#).

AJE provides a range of editing, translation, and manuscript services for researchers and publishers around the world.
