Clinicopathological differences and correlations between right and left colon cancer

Ioannis Kalantzis, Afroditi Nonni, Kitty Pavlakis, Eumorphia-Maria Delicha, Konstantinos Miltiadou, Christos Kosmas, Nikolaos Ziras, Konstantinos Gkoumas, Harikleia Gakiopoulou

Abstract

BACKGROUND

The differences in histopathology and molecular biology between right colon cancer (RCC) and left colon cancer (LCC) were first reported in the literature
