After consultation by the authors and Baishideng Publishing Group (BPG), the authors agree that if this manuscript is finally accepted for publication, the Copyright License Agreement will become effective immediately. Declaration of and attestation are made as following:

- 1 The copyright on any open access article in a journal published by BPG is retained by the authors.
- 2 Authors grant BPG license to publish the article and identify itself as the original publisher.
- 3 Authors grant any third party the right to use the article freely as long as its integrity is maintained and its original authors, citation details and publisher are identified.
- 4 Authors certify that the manuscript is not simultaneously being considered by other journals or is already published elsewhere.

5 Authors certify that the manuscript has no redundancy, plagiarism, data fabrication, or falsification.

6 Authors certify that there is no conflict of interest related to the manuscript.

7 Authors certify that all experiments involving animals and human subjects were designed and performed in compliance with the relevant laws regarding humane care and use of subjects.

8 Authors certify that the manuscript's content is original, with all information from other sources appropriately referenced, and that specific permission has been granted in writing by any existing copyright holders prior to publication and is clearly cited and available.

9 Authors grant exclusive copyright ownership to BPG for all formats of the manuscript, including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum, in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee, (2) printing copies for free distribution or for sale, and (3) republishing the materials in a compendium or in any other format.

10 Authors acknowledge that all articles published by BPG are selected by an in-house editor and fully peer-reviewed by external reviewers, in addition to BPG's application of the Creative Commons Attribution Non Commercial (CC BY-NC 4.0) license, which permits others to distribute, remix, adapt, build upon this work non-commercially, and license their derivative works on different terms, provided the original work is properly cited and the use is non-commercial. See: <http://creativecommons.org/licenses/by-nc/4.0/>

11 Authors grant permission to BPG to publish manuscript-related documents (*e.g.* peer review report, answers to reviewers, CrossCheck report, signed copyright license agreement, *etc.*) at the same time that the manuscript is published online.

12 Authors certify that the manuscript contains no errors in grammar, syntax, spelling, punctuation, or logic.

13 Authors certify that all tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.

14 Authors certify that the references are numbered according to their order of appearance in the main text of the manuscript.
