

Dear Editor and Reviewers:

Thank you for your letter and for the reviewers' comments concerning our manuscript entitled "An unusual presentation of congenital radioulnar synostosis with osteoporosis, fragility fracture and nonunion: A case report and review of literature" (Manuscript ID 54076) Those comments are all valuable and very helpful for revising and improving our paper. We have studied comments carefully and have made correction which we hope meet with approval. Revised portion are marked in the paper. The main corrections in the paper and the responds to the reviewer's comments are as following:

Reviewer #1:

1. Abstract page 3-4. We followed your comments and expanded the original abstract (207 words). However, the format of the journal limits the number of words in the abstract (no more than 250 words). We hope that the present work will meet your requirements.
2. Core tip page 4. We modify the core tip to better summarize the key points of this paper.
3. All modifications shall be marked.

We tried our best to improve the manuscript and made some changes in the manuscript. These changes will not influence the content and framework of the paper. We appreciate for Editors/Reviewers' warm work earnestly, and hope that the correction will meet with approval.

Once again, thank you very much for your comments and suggestions.

Sincerely,

Jiangdong Ni
