

Certification of Rewriting

To Whom It May Concern:

This letter verifies that the following paper has been edited by a trained technical rewriter who is a native speaker of English.

HBV antibody courses and HBV reactivation with rituximab

Yutaka Tsutsumi

K&A Log #Rw-E6587

There should be no problem whatsoever in publishing this paper from the viewpoint of English usage. If you have any concerns about the English used in this paper, please feel free to consult with me directly.

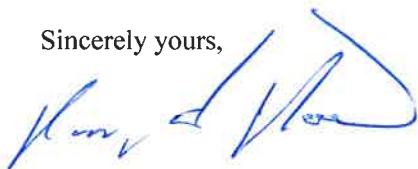

Kurdyla and Associates was established in 1969 and has served the technical rewriting and translation needs of Japan's leading universities, corporations, and research institutes. For more information on our company, please see <http://www.kakansai.com>

Note that Kurdyla and Associates does *not* assume responsibilities for the following:

- 1) Scientific or experimental accuracy; sufficiency of supporting data
- 2) Formatting required by a specific journal or the spelling of names in citation
- 3) Any change made by the author subsequent to work by Kurdyla and Associates

Your expeditious handling of the author's manuscript would be greatly appreciated.

Sincerely yours,

Ron Read

Director/Kansai Branch Manager
