SPECIFIC COMMENTS TO AUTHORS

The paper give us the information about robotic surgery from Italy. The paper is useful. The advantages of robotic surgery is obvious. If the paper give us knowledge about the shortcome of the robotic surgery, the paper will be more perfect.

SPECIFIC COMMENTS TO AUTHORS

Very nice study. Please add in the manuscript and in the table depicting complications how many patients died over the first 90 postoperative days in each of the groups? Compare the death outcome. Please send me the manuscript for review the revised version after it is revised.
