

To the Editorial Office,

The authors would like to thank you all for the detailed comments related to the review we submitted to BJG. As requested we return you a revised version of the manuscript taking into consideration the different informations to be provided.

**(1) *Science Editor:***

The authors did not provide the language editing certificate. The authors have provided an English Language Certificate upon the submission of the article. Shall we provide anything else?

The “Author Contributions” section is missing. Please provide the author contributions; We thank the science editor for reminding us the author contributions section. This has now been included in the revised version.

PMID numbers are missing in the reference list. Please provide the PubMed numbers to the reference list. The authors have revised the reference list to provide the PMID numbers wherever possible.

**(2) *Editorial Office Director:*** I have checked the comments written by the science editor. I suggest that the author should include figures or tables in the manuscript. We thank the editorial office director for his suggestion. We have now introduced 2 figures to illustrate our hypothesis.

**(3) *Company Editor-in-Chief:*** the authors thank the company editor in chief for his attentive revision of all the piece provided under the submitted process. We hope now everything is appropriate for final publication.
