

Dear Dr. Ong,

I, Associate Professor Matthew McGrail, Head of Regional Training Hubs Research at University of Queensland Rural Clinical School, certifies that the statistical analysis of the manuscript entitled:

“Evaluation of patient reported outcome measures post urethroplasty: piloting a ‘Trifecta’ approach? was verified by myself and is deemed to be appropriate.

This documentation is delivered to the concerned person for any purposes for which it may be required.

A handwritten signature in black ink, appearing to read 'Matthew McGrail'.
