Dr Michelle Ong
Principal House Officer
Urology
Toowoomba Hospital

Dear Dr Ong

HREC Reference: LNR/19/QTDD/54837

Proposal title: Regional Urethroplasty – A retrospective analysis.

The above proposal was submitted to the Chair of Darling Downs Health Human Research Ethics Committee (HREC) for advice/opinion regarding ethical and scientific review.

I wish to acknowledge that the proposal does not require full HREC review on the basis of it being a Clinical Audit and not research. Any changes that will amend your project into research are to be reported in writing to me through the DDH HREC Co-ordinator.

As this is a quality improvement process please ensure that a quality activity report is completed and submitted to the quality unit DDHHS_Quality@health.qld.gov.au.

If you intend to publish the findings of your study outside of Darling Downs Health please ensure that you comply with the DDH Procedure 'Research Publication Submission'
<http://qheps.health.qld.gov.au/darlingdowns/pdf/procedure/4-03-031.pdf>

Should you require any additional information, please contact the HREC Co-ordinator, on (07) 4616 6696 or DDHHS-RESEARCH@health.qld.gov.au.

Yours sincerely

Angela O'Shea
Chair
Human Research Ethics Committee
Darling Downs Health
