To whom it may concern:

An experienced medical editor whose first language is English has carefully reviewed this paper entitled:

**A case of pneumothorax after combination therapy with  
Bevacizumab and chemotherapy for breast cancer:  
mechanisms and risk factors**

Our company specializes in editing papers written by physicians and scientists whose native language is not English.

A handwritten signature in black ink, appearing to read 'Shuji Ito', written over a horizontal line.

Shuji Ito
