Re: Non-native speakers of English

Dear All,

We are submitting this letter in regard to our manuscript titled: ***Efficacy of various endoscopic modalities in detecting neoplasia in ulcerative colitis: a systematic review and network meta-analysis.***

We are declaring that the author and the co-authors are native English speakers. We collected the data and conducted this research while working in an English-speaking institution.

If you have any questions, please don't hesitate to contact us.

Sincerely,

Atsushi Sakuraba, MD, PhD
