

Università degli Studi “G. d’Annunzio” Chieti–Pescara  
*Dipartimento di Scienze Mediche, Orali e Biotecnologiche*  
66100 CHIETI – Via dei Vestini, 31

### **Funding**

The subject of the review entitled “MUTYH: not just polyposis” by M.C. Curia, T. Catalano and G.M. Aceto, was supported by Italian Ministry of University and Research, with funds AT-Ricerca2019Curia, FFABR-UNIME2019Catalano and AT-Ricerca2019Aceto.

These funds are distributed by the Italian Ministry of University and Research to the Department and by the Department to individual researcher without a specific grant number.

Best regards
