World Journal of Cardiology,

Dear Editor,

This letter is to appreciate your decision in granting waiver of English language editing of manuscript # 54972 by Shaik, Slotwiner, Gustafson and myself. While the corresponding author Dr. Dai is non-native speaker of English, Drs Shaik, Slotwiner and Gustafson are all native English speakers. They have carefully read and edited the manuscript, in particular, from English language standpoint.

We appreciate your decision in granting waive the requirement of English Editing Certificate for this manuscript.

Sincerely,

A handwritten signature in black ink, appearing to read 'X Dai', with a stylized flourish at the end.
