

Dear Editor,

We submit an editorial titled "New guidelines for the diagnosis and management of pulmonary embolism: key changes" for consideration for publication in the World Journal of Cardiology. The paper has not been published before and is not under consideration for publication elsewhere. We have no conflicts of interest to declare. This is an invited editorial and the invited manuscript ID is 00036318. A native English speaker edited the manuscript.

Best regards,

Konstantinos Tziomalos, MD, PhD  
Associate Professor of Internal Medicine
