

## **Certificate of Biostatistics**

Amsterdam, May 4, 2020

To whom it may concern,

This letter is to confirm that I have performed a statistical review of the study: "Consensus on the definition of colorectal anastomotic leakage: a modified Delphi study", and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Sincerely,

A handwritten signature in black ink, appearing to be 'J.W.R. Twisk', written over a horizontal line.
