#### **SPECIFIC COMMENTS TO AUTHORS**

Very good review article. Please check the spelling e.g. Hepatitis C is HCV instead of HSV Can you, please include some tables or graphs e.g. studies on HCV and response rates in regards to telemedicine? Can you, please mention the surge in regards to telehealth during the COVID pandemic and the guidelines posted by the GI societies Please consider to mention the utilization of non invasive testing such as fatty liver testing NAFLDD and FIB-4 and communication through telemedicine?
