

## Certificate of Biostatistics

To whom it may concerns.

Title of study:

Methylation changes at the *GNAS* imprinted locus in pancreatic cystic neoplasms are important for the diagnosis of malignant cysts

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Luísa Pereira, Department of Mathematics, University of Beira Interior, Covilhã, Portugal
