### **Non-Native Speakers of English Editing Statement**

As one of the co-authors of the submitted manuscript, I edited the paper for English language. I am a research scientist living and working in USA. I have been involved in biomedical science for over 25 years at Boston University, Thomas Jefferson University and Temple University, including over 20 years as faculty (Assistant Prof. Associate Prof. and Prof.) I served as Principal Investigator on several research programs supported by US federal institutions (National Institute of Health, Department of Defense), pharmaceutical industry and private organizations. I have written and published over 100 original papers, reviews, editorials and book chapters, all in English. I serve on editorial boards of several journals, including Frontiers in Endocrinology, Frontiers in Translational and Systems Endocrinology, ISRN Obesity, World J. Biological Chemistry, J. Experimental & Clinical Cancer Research, Viewpoint, Breast Cancer Research. Currently, I serve as a Senior Scientific Advisor at Allysta Pharmaceuticals and Arrevis Inc.

Sincerely,
