

Biostatistics statement

Title: The Effect of Weekend Admission on Geriatric Hip Fractures

The statistical methods of this study were performed and reviewed by Michael Silver, the biostatistician employed by Maimonides Medical Center in Brooklyn, NY, USA, where this study was carried out.

Name: Michael Silver

Signature:

A handwritten signature in black ink, appearing to be 'MS', is written over a horizontal line. A long, thin, curved line extends from the end of the signature towards the upper right corner of the page.
