

Dear editor,

The manuscript titled: " Impact of cap-assisted colonoscopy during transendoscopic enteral tubing: a randomized controlled trial" has been edited for proper English language, grammar, punctuation, spelling, and overall style by Cicilia Marcella, an English native speaker. Neither the research content nor the authors' intentions were altered in any way during the editing process. The editing is friendly help without payment and acknowledgement from authors.

A handwritten signature in black ink, appearing to read "Cicilia Marcella", written in a cursive style with a long horizontal stroke underneath.
