Figures and Tables

The figure legends, figures, tables, and table notes should be on separate pages at the end of the manuscript. The authors should create vector graphics and images using Microsoft PowerPoint to ensure that all graphs or text portions can be reprocessed by the editor.

Issues raised 1: Please address the following special requirements for figures. Figures must be presented in the order that they appear in the main text of the manuscript (numbered as 1, 2, 3, *etc*). The requirements for the figures and figure legends include: (A) All submitted figures, including the text contained within the figures, must be editable. Please provide the text in your figure(s) in text boxes; (B) For line drawings that were automatically generated with software, please provide the labels/values of the ordinate and abscissa in text boxes; (C) Please prepare and arrange the figures using PowerPoint to ensure that all graphs or text portions can be reprocessed by the editor; and (D) In consideration of color-blind readers, please avoid using red and green for contrast in vector graphics or images.

We have uploaded the figures in ppt format with every aspect designable as you requested. They are uploaded as separate ppt files in a zip file.
