

Biostatistics statement

June 2020

To whom it may concern,

Phase angle and non-alcoholic fatty liver disease before and after bariatric surgery

Universidade Federal de Ciências da Saúde de Porto Alegre

This letter is to confirm that I have read the ethics application prepared for this study, and that, in my opinion, the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Ceres Andréia Vieira de Oliveira
