

## ANSWERING REVIEWERS

January 28, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript 5816-Review.doc).

**Title:** Anti-EGFR and Anti-VEGF agents: important targeted therapies of colorectal liver metastases

**Author:** Qingyang Feng, Ye Wei, Jingwen Chen, Wenju Chang, Lechi Ye, Dexiang Zhu, Jianmin Xu

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 5816

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) Thanks for the advices from reviewer 00069105. We slightly modified the title to make it more appropriate for the theme of the article. We also enriched the abstract with key data cited from representative original articles. In addition, we added some of the latest research progress into the main text. The paper has been corrected by professional medical English editors. All the revisions we made were highlighted in the updated vision.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'Jianmin Xu'.
