

## **Non-Native Speakers of English Editing Certificate**

We would like to submit the manuscript “Risk factors of lymphatic metastasis complement poor radiological detection in resectable gallbladder cancer” for publication in *World Journal of Gastroenterology*. All the authors are non-native speakers of English, therefore, we invite Ms. Leah Tecle to modify the final version of this paper. She is a medical expert from U.S. and now working in Center of International Collaboration of Sir Run Run Shaw hospital. Also, this paper is reviewed by several exchange medical students from Germany and U.S. before submission.

P.S. Signature of Ms. Tecle

A handwritten signature in black ink, appearing to be 'Leah Tecle', written on a light-colored background.
