

September 16, 2020

To whom it may concern:

I certify that as a native speaker of English and editor of English-language scientific and medical manuscripts for the firm Rise Japan LLC, I have edited the English-language text, references, figure legends, and tables of the manuscript written by Dr. Kosuke Suzuki et al., entitled "PET complete metabolic response as a favorable prognostic predictor in esophageal cancer following neo-adjuvant chemotherapy with DCF," for proper English grammar and natural English expression.

Sincerely,

A handwritten signature in black ink that reads "George B. Powell". The signature is written in a cursive style with a large, prominent "G" and "P".

George B. Powell
