Dear World Journal of Gastroenterology Editorial Board and Reviewers,

I'm writing this letter to certify that I'm a native English speaker with experience in writing manuscripts, chapters, and reviews.

I'm the co-author of the manuscript "**The role of pancreatography in the endoscopic management of encapsulated pancreatic collections – literature review and proposal of a new practical classification (with video)**" and I have edited the article for proper English language, grammar, punctuation, and overall style.

Sincerely,

Thomas R. McCarty, MD, MSc.
