Solid Pseudopapillary Neoplasms of the Pancreas: A Report ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4058598>

1. Introduction. **Solid pseudopapillary** neoplasms (SPNs) are uncommon **tumors**, accounting for only 1–2% of pancreatic neoplasms [1, 2]. Although pancreatic SPNs are uncommon, clinicians should consider the **diagnosis** in young women with typical lesions because these patients have good outcomes with appropriate treatment.
