Dr Susan Connor  
Department of Gastroenterology  
Liverpool Hospital

Dear Dr Connor,

**Project title:** Prospective single-blinded single-centre randomized controlled trial in comparing Moviprep, a polyethylene glycol-based solution with PrepKit C, a combined polyethylene glycol and sodium picosulfate-based solution in the preparation of patients for colonoscopy.  
**HREC Reference:** HREC/12/LPOOL/108  
**SSA Reference:** SSA/12/LPOOL/109  
**Local Project Number:** 12/068

I am writing to acknowledge receipt of your Final Progress Report dated 5 September 2017 for the above project which was reviewed and acknowledged.

We would like to take this opportunity to congratulate you on the completion of the study and look forward to receiving details of any further publications that arise from this research.

This file will now be closed and archived.
