

Shreveport (Louisiana - USA), April 1<sup>st</sup> 2021

This is to certify that the manuscript "60467 - Fibula Fracture Management", to be published in the World Journal of Orthopaedics, has been read and approved for English language in its final version by me, Kevin P. Smidt MD, born in Palos Hills , Illinois, on 11/14/1990 native English speaker working as Orthopaedic Senior Resident in Department of Orthopaedics and Traumatology at Louisiana State University Health Shreveport.
