

To whom it may concern,

This letter is to certify that the manuscript titled "**Intravascular  
ultrasound diagnosis of spontaneous coronary artery dissection in  
a patient with autosomal dominant polycystic kidney disease: a case  
report and literature review**" has been proof read and corrected by the

Home for researchers editorial team on the 09/08/2020. After being  
checked and amended as seen appropriate, we feel that the standard of  
English in this manuscript satisfies the requirements of submission to  
journals to be considered for publication.

Sincerely,

Home for researchers editorial team

Guosheng Wang
