

Biostatistics statement

Title: Development and validation of a prognostic model for patients with hepatorenal syndrome: a retrospective cohort study

The statistical methods of this study were reviewed by a member of the Biostatistic Service from the First Affiliated Hospital, College of Medicine, Zhejiang University.

Name: Ding Cheng

Signature:

A handwritten signature in black ink, reading "Ding Cheng". The signature is written in a cursive, flowing style. Below the signature, there is a faint, circular, light-gray watermark or stamp, which appears to be a seal or official mark, though its details are not clearly legible.
