

12 December 2020

To whom it may concern,

Title of study: Effects of early rehabilitation in management of
paediatric burnt hands

This letter is to confirm that I have read the ethics
application prepared for this study, and that in my opinion the
statistical methods and techniques mentioned are appropriate
for this research.

Sincerely,

Xiang Fei, Ph.D, Army Medical University, Chongqing 400038,
China
