

2020/12/26

This case reports unique findings and is theoretically based on the current literature. The subject is very important to clinical practice. The paper is well written and provides useful information for the readers.

Dear Editor:

Thank you for arranging a timely review for our manuscript. We are pleased to know that our manuscript is of general interest of the readers of *World Journal of Clinical Cases*.

We have uploaded the original image file in the manuscript submission system.

Thank you for your consideration. I look forward to hearing from you.

NEW COMMENT – the current title was 19 words and the journal requires a title of 18 words or less. I deleted “A” so it now meets the requirements. Please change the title in any other instances that it is used, i.e. in cover letter and such.
