

LANGUAGE EDITING FOR MANUSCRIPT

We confirm that language editing of the manuscript was performed by Professor Matthias Turina, who has completed his postgraduate studies in the United States. The corresponding author confirms that the language of the manuscript was edited for proper English language, grammar, punctuation, spelling, and overall style.

A handwritten signature in black ink, appearing to read "M. Turina". The signature is written in a cursive style with a prominent diagonal stroke at the end.

Professor Matthias Turina MD, PhD
