

Dear Editor and Reviewers:

Thank you for your careful reading of our manuscript and valuable suggestions of the reviewer. We have carefully considered the comments and have revised the manuscript accordingly. The minor revisions made in the revised manuscript are listed as follows:

- 1.The author contributions have been uploaded.
- 2.PMID and DOI numbers have been provided in the reference list.
3. References have been already checked and any references not relevant to this study have been removed.

In addition, the manuscript has been sent to a native English speaker for improved English usage to meet the high standards of publishing needs, and thank you very much for the professional revision of our manuscript.

Yours sincerely,

Jinfeng Liu
