Dear World Journal of Gastrointestinal Endoscopy Editorial Board and Reviewers,

I'm writing this letter to certify that I'm a native English speaker with experience in writing manuscripts, chapters, and reviews.

I'm the senior author of the manuscript "***Endoscopic retrograde cholangiopancreatography drainage for palliation of malignant hilar biliary obstruction: stent-in-stent or side-by-side? A systematic review and meta-analysis***" and I have edited the article for proper English language, grammar, punctuation, and overall style.

Sincerely,

Sergio A. Sánchez-Luna, M.D.
