

21 January 2021

To whom it may concern

As a native English speaker, emeritus professor of medical sciences and holder of the Diploma in Translation from the Chartered Institute of Linguists (UK), I certify that the English wording, style and content of the manuscript entitled

**IMPACT OF DONOR-SPECIFIC ANTIBODIES ON LONG-TERM GRAFT SURVIVAL  
WITH PEDIATRIC LIVER TRANSPLANTATION**

by

F.L. Schotters, A. Briem-Richter, T. Binder, U. Herden, and E. Grabhorn

is correct and appropriate for publication in a medical journal.

With kind regards,  
David Tracey
