

Certificate of biostatistics

December 11, 2020

To Whom It May Concern:

Title of manuscript: BRUCE regulation of b-catenin signaling in the progression of drug-induced hepatic fibrosis and carcinogenesis

Authors: Chrystelle L. Vilfranc et al.

This letter is to confirm that I have read the statistical methods that are used in this manuscript, and that in my opinion those methods are appropriate for this study.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in grey ink, appearing to read 'Liang Niu', with a stylized flourish extending from the end.
