

Response to Reviewers World Journal of Critical Care Medicine

Manuscript NO: 05378739

Title: Reduced exercise capacity and self-perceived health status in high-risk patients undergoing lung resection.

Correspondence: Marie Carmen Valenza

Reviewer 1.

We want to thank the reviewer 1 for the comments about our manuscript.

Reviewer 2.

Comment 1) The authors did not provide the approved grant application form(s). Please upload the approved grant application form(s) or funding agency copy of any approval document(s).

Answer: Thank you very much for the comment. We have uploaded grant applications forms of the approval documents.

Comment 2) The authors did not provide original pictures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor;.

Answer: We are grateful with the reviewer's comment. We have included the figures edited using PowerPoint.

Comment 3) The "Article Highlights" section is missing. Please add the "Article Highlights" section at the end of the main text.

Answer: Thanks for the comment. We have included the "Article Highlights" section in our manuscript.
