

## Non-Native Speakers of English Editing Certificate

This certifies that the paper entitled The Chinese Association for the Study of Pain (CASP): Expert Consensus on the Chronic Post-Surgical Pain has been edited for English language, grammar, punctuation, and spelling. The editing ensures that the language is accurate and free of errors. The edit was performed by Jing Zhang at University of California, Irvine. The intent of the author's message was not altered in any way during the editing process.

A handwritten signature in blue ink, appearing to read "Jing Zhang". The signature is fluid and cursive, with the first name "Jing" and the last name "Zhang" clearly distinguishable.
