Fulminant Amebic Colitis after Corticosteroid Therapy: A ...

<https://journals.plos.org/plosntds/article?id=10.1371/journal.pntd.0004879> ▾

Jul 28, 2016 · The development of **fulminant amebic colitis** in **patients** treated with **corticosteroids** further supports the importance of cell-mediated immunity in controlling *E. histolytica* infection. Rodent models of **amebic colitis** have demonstrated causal relationships between **corticosteroids** and exacerbation of amebic disease [49–51]. However the exact mechanism leading to such rapid and ...

Cytomegalovirus colitis in an immunocompetent patient with ...

<https://www.researchgate.net/publication/8184450...>

Concomitant CMV colitis and other gastrointestinal **infections** occur exclusively in immunosuppressed **patients**. We report, to our knowledge, the first case of co-infection of the colon with CMV and ...

Evidence for the involvement of infectious agents in the ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC2687051>

Feb 14, 2008 · **Fulminant CD colitis** with toxic dilatation, while being rare, is commonly treated surgically. These cases may be confused with **infection** by *Entamoeba histolytica*, *Salmonella* spp, *Campylobacter jejuni* and *Clostridium difficile*, which can sometimes be treated medically[30,31]. Chronic diarrhoea in immunocompetent **patients** is generally caused by non-infectious diseases like CD.
