[ASGE | Guidelines for sedation and anesthesia in GI endoscopy](#)
<https://www.asge.org/home/resources/key-resources/...>
Jan 30, 2018 · Here you will find ASGE guidelines for standards of practice. These range from recommendations on testing and screenings to the role of endoscopy in managing certain diagnoses to sedation and anesthesia to adverse events and quality indicators. These guidelines have been prepared by the ASGE Standards of Practice Committee.

Retrospective Study

Identifying who best tolerates moderate sedation: Results from a National

Database of Gastrointestinal Endoscopic outcomes

Monica Passi, Fariyal Rahman, Sandeep Gurram, Sheila Kumar, Christopher Koh

Abstract

BACKGROUND

With increasing volume and cost of gastrointestinal endoscopic procedures, the proper selection of patients for moderate sedation becomes increasingly relevant. The current literature lacks consistent findings that allow for appropriate selection of patients for moderate sedation.
