### Intussusception - Symptoms and causes - Mayo Clinic

[https://www.mayoclinic.org/diseases-conditions/...](https://www.mayoclinic.org/diseases-conditions/)

Overview Symptoms Causes Risk Factors Complications

Intussusception (in-tuh-suh-SEP-shun) is a serious condition in which part of the intestine slides into an adjacent part of the intestine. This "telescoping" often blocks food or fluid from passing through. Intussusception also cuts off the blood supply to the part of the intestine that's affected, which can lead to a tear in the bowel (perforation), infection and death of bowel tissue. Intussusception is the most common cause of int...
