## Nutritional Status in Patients with Esophageal Cancer ...

<https://europepmc.org/article/PMC/PMC7771945> ▾

For future studies, we propose that changes in nutritional status be evaluated during treatment, due to great effect of chemo-radiation on cancer patients' nutrition. In conclusion, our study showed the prevalence of malnutrition in esophageal cancer patients is very high even at the beginning of malignancy management and deteriorated during ...

## Nutritional Management of Esophageal Cancer Patients ...

<https://www.intechopen.com/books/esophageal...> ▾

Dec 05, 2016 - Esophageal cancer is one of the most fatal cancers worldwide as it was ranked ninth for cancer incidence and sixth for cancer death in 2013. In 2013, there were 442,000 new cases of esophageal cancer and 440,000 deaths []. There are two main histologic subtypes of esophageal cancer: squamous cell carcinoma and adenocarcinoma, each one of them is related to several risk ...
