

Certificate of Biostatistics

Manuscript title: Clinicopathological features of small T1 colorectal cancers

Client name: Yuki Takashina, MD, PhD. Digestive Disease Center, Showa University
Northern Yokohama Hospital, Yokohama, Japan

Regarding the statistical analysis to Table 2 (Comparison of clinicopathological characteristics between <10 mm and ≥ 10 mm tumors in total cohort T1 CRCs (n=1152)) and Table 3 (Comparison of clinicopathological characteristics between <10 mm and ≥ 10 mm tumors in surgical resection cohort T1 CRCs (n=798)) in the above study, Hajime Yamakage, an expert in statistics, has guaranteed that the analysis is correct.
