

SPECIFIC COMMENTS TO AUTHORS

1. There is more repetition of words in the manuscript. 2. Periapillary Duodenal Duplication Cysts (PADDC) can be abbreviated followed by the first time.

Answer Reviewer 1: We performed revision of grammar and language flow.

2 SPECIFIC COMMENTS TO AUTHORS

Concise review of a group of congenital duplication cysts, comprehensive and appropriate. Needs revision of grammar and language flow.

Answer Reviewer 2: We removed repetitions of words and we abbreviated PADDC only for the first time.
